

# What U Workin' With? (with Justin Timberlake)

Gwen Stefani

Uh!  
The way you walk in my hood  
Like we're feeling so good  
Here I am saying my, my, my  
Walking over so fresh  
Walking over so fly  
All shine, all time  
Just talking that truth  
No fake  
Easy when you walk this way  
I'm talking that truth  
Okay, hold up! But enough about me  
Let's talk about you  
Head down, all blue  
You should be signing like these  
Yeah, something like me  
Make 'em go ooh, ooh, ooh Just talking that truth  
No fake  
I truly wouldn't walk that way  
Now we're talking that truth  
Okay  
This is the moment when everybody's in the light  
So what u working with? Drop that body like you're trying to let them know  
Twist that high  
You know the bass is on the low  
Take that feeling like it's something that you stole  
It ain't about, ain't about, it ain't about what you not  
So what u working with? Show me, show me  
What u working with?  
Show me, show me  
What u working with?  
Show me, show me  
What u working with?  
What?  
What u working with?  
What u working with? Keep running that mouth  
I don't need a full round  
I make em' say wow  
Hit em' like pow, pow, pow

A hundred thou Yeah, I'm talking that truth  
No fake  
Easy when you walk this way  
I'm talking that truth  
Ok  
This is the moment when everybody's in the light  
So what u working with? Drop that body like you're trying to let them know  
Twist that high  
You know the bass is on the low  
Take that feeling like it's something that you stole  
It ain't about, ain't about, it ain't about what you not  
So what u working with? Show me, show me  
What u working with?  
Show me, show me  
What u working with?  
Show me, show me  
What u working with?  
What?  
What u working with?  
What u working with?  
(Work! Uh!) Drop that body like you're trying to let them know  
Twist that high  
You know the bass is on the low  
Take that feeling like it's something that you stole  
Ooh, whoa!  
Show me, show me  
What u working with?  
Show me, show me  
What u working with?  
Show me, show me  
What u working with? It ain't about, ain't about, it ain't about what you not  
It ain't about, ain't about, it ain't about what you not  
It ain't about, ain't about, it ain't about what you not  
So what u working with?
