So Ladies

Born Jamericans

We're havin' a party
And we want you to come inside
We're havin' a party
So all the pretty ladies come for a rideWhat don't you rock on for me?
What don't you rock on for me?
What don't you rock on for me?
I wanna see ya whinnin'Well ugly girls to the left
And pretty girls to the right
And too the flight I wanna mark all night
And we shine upon the mic
We go chat with linda
And all the rude boys fly on the jumbo jet
Lemme know
All i know is everyone is masterialistic
And one put on her lipstick
Above the clouds
Build up of fun
We come from kingston all the way to washington
Nobody else
We cook good food
You know we're having a party
Sing out
We're havin' a party
And we want you to come inside
We're havin' a party
So all the pretty ladies come the rideWhat don't you rock on for me?
What don't you rock on for me?
What don't you rock on for me?
I wanna see ya whinnin'I went a come out downtown I look through the rear
I see the pretty girls hey sexy bunny

She said hey look boy you better get over here
