

# It's The Beat

## Deliverance

(Jimmy P. Brown II, George Ochoa, Roger Martinez)

It's the beat

They say is satanic, ha ha ha

It's the beat

That causes the flesh to give in

It's the beat

You ignorant fool, study the first eight chapters of Romans

It's the beat

Don't give me your opinion, show me a chapter and a verse

Adam sinned before a drum, used by man that was created

Read the Genesis account, learn from your ignorance

The church of Satan holds rituals to the classic works you lift us holy?

Wagner and Rachmaninov in complete contradiction

Old bar song's now made to hymns

You classify as blessed by God

But several hundred years ago

You called evil, but who was wrong

Why don't just tell me what beat, did Eve first sin to and to which did

Adam disobey?
