Respect Yourself (feat. Jessica Folcker)

DJ Bobo

Respect yourself
Change your mind
Respect yourself
Don't be blind
Respect yourself
And you will see the lightRespect yourself
And you will find your way
So practise what you pray
Don't run away
Respect yourselfRespect yourself
Respect yourself
And you will see the light1.
If you are feeling weak so deep inside
No place to run, no place to hide
R. E. S. P. E. C. T
Respect your destinyIf you don't know what is right or wrong
If you feel confused and your thoughts are gone
R. E. S. P. E. C. T
Respect yourself, be free2.
Don't care about what people say
Believe in yourself and go your own way
Respect - no resignation
Leave the path of isolationDon't care about what people say
R.E.S.P.E.C.T , will never get away
Today, we stay, and pay attention anyway
Fairplay, everyday don't run away3.
You don't know, no, what you don't know
Like the colours of the rainbow
Respect is the name of the game
Respect yourself and you never miss your aimIf you gonna show weakness
You gotta let them know
You don't know, no, what you don't know
If you really want to grow, say no just go
