Superhuman

Joey Tempest

It hurts me to lean on you what can I say
Nothing I know suits me so fine I take the blame
All I can see right now is that its dark
And I've lost your heartWere still waiting for the one
Were still falling for a superhuman
Keeps our hearts from moving on
Were still dreaming of a superhuman nowShallow beliefs I know tell me I'm wrong
Are you happy now as I know that you are strong
I'm sorry bout something but I don't seem to know
How to let you goWere still waiting for the one
Were still falling for a superhuman
Keeps our hearts from moving on
Were still dreaming of a superhuman now
