Hippy Hippy Shake

Black Lace

For goodness sakes
I got the hippy hippy shakes
Yeah I got the shakes
I got the hippy hippy shakes
I can't sit still
With the hippy hippy shakes
Yeah I get my fill now
With the hippy hippy shake
Yeah it's in the bag
The hippy hippy shake

Well I've been shakin' to the left
Shakin' to the right
You do the hippy shake shake
With all of your might
Oh baby yeah come on shake
Oh it's in the bag
The hippy hippy shake

Well I've been shakin' to the left
Shakin' to the right
You do the hippy shake shake
With all of your might
Of baby yeah come on shake
Oh it's in the bag
The hippy hippy shake
The hippy hippy shake
The hippy hippy shake
