Walking On Ice

Quarterflash

I walk on ice, I play with fire
For loving you, baby, I'd dance on wire
Oh, I can't sleep at night
Loving you, I'd pay that price
Loving you is like walking on iceWalking on ice
Walking on ice
Walking on iceWho broke you down, who's there to blame
Who tore you up inside and left the pain
Oh, someone burned your life
And every day I'd pay that price
Every day, I'm walking on iceWalking on ice
Walking on ice
Walking on iceTime after time, I wake up and I find
I want you, I'm calling like always
I'm falling on ice
Walking on ice(Sax Solo)I can't blink an eye
Loving you, I'd pay that price
Loving you is like walking on iceWalking on ice
Walking on ice
Walking on ice
Walking on ice
Walking on ice
Walking on ice
Walking on ice
Walking on ice
