Pill bring me back, feel this one out in California[Verse 1]Meal ticket, ticket, meal ticket, ticket, comma, uh
Steel in my liver, real niggas in my condom
Phil hit me back, filled this one with a powder pack
Pill bring me back, feel this one out in California
Meal ticket, ticket, meal ticket, ticket, come up, uh
Steel in my liver, real niggas in my condom
Phil hit me back, filled this one with a powder pack
Pill bring me back, feel this one out in CaliforniaNowadays I like to bring my nephews and my budget out
I come from where you can't suck my dick and leave my cousin outMeal ticket, ticket, meal ticket, ticket, comma, uh
Steel in my liver, real niggas in my condom
Phil hit me back, filled this one with a powder pack
Pill bring me back, feel this one out in California

Steel in my liver, real niggas in my condom
Phil hit me back, filled this one with a powder pack
Pill bring me back, feel this one out in CaliforniaI lost my heroes a long time ago, time ago
... and fade away, way...away, way
They gon' bring you down and burn you out and fade away, way
They gon' bring you down and burn you out and fade away, way
They gon' bring you down and burn you out and fade away, way...away, way
They gon' bring you down and burn you out and fade away, way
