Something for You

The Horrorist

Now i've been searching for something new,
something true, something for you.
I've been looking so very long
and everything I find is wrong.What am I supposed to do?
I need to get something for you.Yeah I've been searching for something for you,
something special.
A thing that will never decay.
Something to brighten your day.So come inside and touch my body,
release your pressure and forget the pain of the day!
So come inside and touch my body,
release your pressure and forget the pain of the day!Now i've been standing on your corner all night.
Staring at your window in the moonlight.
Now i've been wondering if you'll come out to play.
Or are you asleep and dreaming?
I have something that I know you'll like...
I'll leave a letter for tomorrow night.You'll come to my home, I'll touch your body,
release your tension and we'll forget the pain of the day!
You'll come to my home, I'll touch your body,
release your tension and we'll forget the pain of the day!
You'll come to my home, I'll touch your body,
release your tension and we'll forget the pain of the day!
You'll come to my home, I'll touch your body,
release your tension and we'll forget the pain of the day!
