Peace Lovin' Man

David Coverdale

You changed your reason
With the wave of your hand
Fill me with wonder like a child
'Cos you'll never understandIt's a sin not to say when it's over
It's a crime to deny when it's gone
'Cos you're foolin' yourself and nobody else
It's a sin if you carry it onIf you wanna make love
Ooh, you whisper my name
I say, I never wanna use you for your love
But you tail me and you make it all the sameIt's a sin not to say when it's over
It's a crime to deny when it's gone
'Cos you're foolin' yourself and nobody else
It's a sin if you carry it on'Cos I'm a man, a peace lovin' man
And I'm so tired to hold it inside
When I feel, gonna hidePeace lovin' man
Peace lovin' man
Peace lovin' manIt's a sin not to say when it's over
It's a crime to deny when it's gone
'Cos you're foolin' yourself and nobody else
It's a sin if you carry it on'Cos I'm a man
Ooh baby, I'm a manPeace lovin' man
Baby, I'm just a man
Peace lovin' man
I can't use you anymorePeace lovin' man
You wanna fool, you wanna fool
Peace lovin' man
Yeah, I'm a man
Peace lovin' man
