

# Don't Break The Heart That Loves You

Connie Francis

Don't break the heart that loves you so  
Don't break the heart that loves you  
Handle it with care  
Don't break the heart that needs you  
Darling, please be fair  
Why do you flirt, and constantly hurt me?  
Why do you treat our love so carelessly?  
You know I'm jealous of you and yet you seem to try  
To go out of your way, to be unkind  
Sweetheart, I'm begging of you  
Don't break this heart that loves you  
Don't break this heart of mine

Darling, please don't hurt me  
Please, don't make me cry  
I don't know what I'd do  
If you'd ever say goodbye  
Remember I love you so much  
And love is life's greatest joy  
Please don't break my heart  
Like a child breaks a little toy  
Sweetheart, I'm begging of you  
Don't break this heart that loves you  
Don't break this heart of mine  
(Don't break this heart)
