Wear Me

Ruben Studdard

girl if I could be anything in this world
if I would love to be
I'm always ashamed to say
I would love to be your clothes,
your clothes baby
I'd rather round both your legs
like the dress you're wearing out
all so tight, feel so bright
if I could I would
I lay my head on your hair like the necklace round your neck
show em off never take me off
if I could I would be
everything in your closet that you pot on
and gonna mind .put me on
Chorus:
wear me like .wear me like .
girl take me home and
take it off just to put me on
take it off just to put me on
take it off just to put me on

put me on, put me on girl
put me on
you can trap me in like in heels
and I will leave you up
high above with so much love
if I could I would
.you up like you .
baby girl there's nothing I won't pay
to make you feel sexy
show that I I won't lie
if I could I would be
everything in your closet that you put on
ain't go mine .put me on
[Chorus:]oh girl I don't know how other else to sya it
but I, wear me like you wear Chanelle
I mean I .what I said what I said
[Chorus:]
