Here Comes the Sun

The Plastic Pals

Here comes the sun little darlin'
Here comes the sun
I say, ?It's all right, it's all right?
Here comes the sun little darlin'
Here comes the sun
I say, ?It's all right, it's all right?
Little darlin' its been
A long cold and lonely winter
Little darlin' it feels like
Years since you've been here
Here comes the sun little darlin'
Here comes the sun
I say, ?It's all right, it's all right?
Little darlin' the smiles
Have returned to the faces now
Little darlin' it seems like
Years since you've been here
Little darlin' its been

A long cold lonely winter
Little darlin' it feels like
Years since you've been here
Here comes the sun
Aren't you glad to see it
I say, ?It's all right?
Here comes the sun little darlin'
I say, ?It's all right?
Little darlin' here comes the sun, yeah
Here comes the sun, I say, ?Little darlin'?
It seems like years since you've been here
Little darlin' here comes the sun
Oh, baby it's all right now, you can come on out now
And it's all right now, you can come on out now
It's all right, you can come on out
Yes, it's all right, here comes the sun
Here comes the sun, here comes the sun
