[Aryginal / Lotus Cobain-Chorus:]
I got me a ride or die chick, You better know it baby, She gone stay by my side
We be on our ride or die shit, just you and your lady, everyday of our life.
When we in the street, Tatiana keep that toast
Up under the sheets, Tatiana keep it soaked
We be riding clean, you should she us when we coast
Just me and my queen sitting mean on our throne.

[Aryginal-Verse 1:]
From the first time I looked in your eyes I sensed elegance
A woman with pride and high intelligence
I knew at that time you were heaven sent
It was something about that first kiss I laid upon your tender moist lips that put you at such bliss
When you with me you seem to loose yourself
And when you cut that nigga for plotting on me baby, you proved yourself
That let me know you was real
When I spit a verse, you let me know if its ill
Your views better my skills
Thereâ€™s something about your fragrance that gets me so high
The look in your eyes is exotic
Your voice is so damn melodic
Baby your touch is hypnotic
From sunset to sunset
Tatiana alright, she gone ride me all night and it be dumb wet
Hustle till the funds set
And she donâ€™t take no mess from a dumb bitch.
Naw!

[Aryginal / Lotus Cobain-Chorus:]
I got me a ride or die chick, You better know it baby, She gone stay by my side
We be on our ride or die shit, just you and your lady, everyday of our life.
When we in the street, Tatiana keep that toast
Up under the sheets, Tatiana keep it soaked

We be riding clean, you should she us when we coast
Just me and my queen sitting mean on our throne.

[Lotus Cobain-Verse 2:]
Let me take you on a ride with Tatiana, pink Peggy Sue
In my Jimmy Chuâ€™s
See me and you
No ordinary bond see thatâ€™s my nigga for real
He got my back no back stabbing knives donâ€™t cut through steel
Miss Cobain in fame
My venom run through his veins
He bites back
I like that
So I inhale the contact
They know im crazy when it comes to my fam
My man, my money, dap respect in hands
Bands, presidents, but no pledge of allegiance.
We hustle, flip money, haters look at us funny
And I never gotta worry bout another bunny
The way he slap my ass, no bee can take this honey
If im his reflection then I must be fly
Bonnie and Clyde, we always capitalize
And I gave him pretty babies, greatness multiplied
Mister Martin and Coretta
No one ever did it better.

[Aryginal / Lotus Cobain-Chorus:]
I got me a ride or die chick, You better know it baby, She gone stay by my side
We be on our ride or die shit, just you and your lady, everyday of our life.
When we in the street, Tatiana keep that toast
Up under the sheets, Tatiana keep it soaked
We be riding clean, you should she us when we coast
Just me and my queen sitting mean on our throne.

[Aryginal-Verse 3:]
Tatiana you got a problem, Iâ€™m gone solve that
Break it down, soak it in gas, torch it, and all that
Fall back
Relax mama, youâ€™re where my heartâ€™s at
Them chicks arenâ€™t even stars in your galaxy, thatâ€™s a raw fact
So slap on your ball cap.
Cause youâ€™re the one Iâ€™m cruising the world with
Summer time, down the interstate, banging â€œMe and My Girlfriendâ€•.
Youâ€™re so damn intelligent and elegant
When itâ€™s beef, you bring hellâ€™s wrath but yet, youâ€™re so heaven-sent.

I love the way you make them hips talk
And how can see your reflection in your lip gloss
Youâ€™re so down, 9-mil tucked in your Mitchell
& Ness jersey dress, youâ€™re official.
Tatiana, just know, youâ€™re the one I need
My eyes so I can see
My lungs so I can breath
Your pride and loyalty
Proves youâ€™re my ride or die chick
So by any means, mama believe Iâ€™m your ride or die nig.
