Gimme the Pain

Fit for Rivals

I wanna know the ins and the outs of your dark side
Like a cigarette a burnin' on the skin of your inner thigh
I just wanna feel like you and I are one
So let it go (let it go, go, go)You got a heart of stone, baby it's easy to see
I said just give me an ounce but there was nothing to squeezeI like when you're bad but it hurts when it bleeds
So come on baby, lets get dirty, give it to me
I want to twist your flesh on the way till I'm inside
Theres a violence in my heart, in my blood that I can't hide
I just wanna feel like you and I are one
Just let me know (let me know, know, know)You got a heart of stone, baby it's easy to see
I said just give me an ounce but there was nothing to squeeze
I like when you're bad but it hurts when it bleeds
So come on baby, lets get dirty, give it to meI know that look when I see it in your eyes
The lights are on but theres no one inside
Seems like every time we touch I break like a wave
So come on baby, lets get dirty, gimme the painOhh oh, ohh oh, ohh oh, ohh ohoh
Ohh oh, ohh oh, ohh oh, ohh ohohYou got a heart of stone, baby it's easy to see
I said just give me an ounce but there was nothing to squeeze
I like when you're bad but it hurts when it bleeds
So come on baby, lets get dirty, give it to meI know that look when I see it in your eyes
The lights are on but theres no one inside
Seems like every time we touch I break like a wave
So come on baby, lets get dirty, gimme the painYou got a heart of stone, baby it's easy to see
I said just give me an ounce but there was nothing to squeeze
I like when you're bad but it hurts when it bleeds
So come on baby, lets get dirty, give it to meI know that look when I see it in your eyes
The lights are on but theres no one inside
Seems like every time we touch I break like a wave
So come on baby, lets get dirty, gimme the painOoh oh..
