You're So Cool, I'm So Freaky

Kate Nash

I?m a waste of space
I don?t understand you
Send me away
Tomorrow is important
No matter what you say
So keep your distance from me
And keep yourself away
Keep everything to yourself
Since when was I so keen to share anyway
I don?t know
How I feel
Want to feel
Something real
Feel something real
Well nothing is real
Is that what you say?
Well everything?s fake
So you?re running away
?Cause you?re so cool
You can?t come anywhere near me
You?re not coming anywhere near me
Well I?m saying don?t look anywhere near me
You?re not coming anywhere near me anyway
I don?t know
How I feel
Want to feel
Something real

Feel something real
Well nothing is real
Is that what you say?
Well everything?s fake
So you?re running away
?Cause you?re so cool
I?ve got big plans
I?ve got something to say
Tomorrow is important
And so is the next day
I don?t know

How I feel
Want to feel
Something real
Feel something real
Well nothing is real
Is that what you say?
Well everything?s fake
So you?re running away
?Cause you?re so cool
You?re so cool
And I?m a waste of space
You?re so cool
And I don?t understand it
You?re so cool
And I have never been cool
You?re so cool
And I?m a freaky, freaky, freaky, freaky girl
