Second Nature

New Wave Syria

Second nature
Second natureWhy does love always seem so very hard
It's such a struggle to win the reward
Because I'm playin' with the wrong cards
But I think I got the winnin' hand
There's something different about you, babe
That tells me I canI say it's easy for the things that I do
Never a question, always a pleasure to
Love you, love you, love youBaby, I won't say no
The love that you give is so
Abound and I can't let go of this loveIt's so natural, so natural to give my love
It's so easy, easy like second nature
It's so natural, so natural to give my love
Like no other, easy like second natureBaby
BabyThinkin' of you is the breath that I take
Just for your love I can't wait
I could never think twice
It wakes me up in the mornin'
And in the middle of the night
And with a smile on my face, I'm readyBaby, I won't say no
Your love that you give is so
Abound and I can't let go of this loveIt's so natural, so natural to give my love
It's so easy, second nature
It's so natural, so natural to give my love
Like no other, second natureIt's so natural, so natural to give my love
It's so easy, second nature
It's so natural, so natural to give my love
[Incomprehensible] second natureSecond nature
It's so natural, baby
To give you all my love, yeah
And if you want it then you got it, babySecond nature
