Lunchbox (Highschool Drop-Outs remix)

Marilyn Manson

Next motherfucker's gonna get my metalOn we plow
The big bully try to stick his finger in my chest
Try to tell me tell me he's the best
But I don't really give a good goddamn cause
I got my lunchbox and I'm armed real well
I got my lunchbox and I'm armed real well
I got my lunchbox and I'm armed real well
I want to grow up
I want to be a big rock and roll star
I want to grow up
I want to be
So no one fucks with me, yeah
I got the pencils in my pocket, try to put me down
Want to go out, gotta get out to the playground
Want to throw down at the playground
I want to go out
Next motherfucker gonna get my metal
Next motherfucker gonna get my metal
Next motherfucker gonna get my metal
Next motherfucker
