So It's what I threw up
Sicker than a mothafucka,
might throw my food up

Hoop coola no one losers
You had good brains
I ain't even had to school her
Meet me at 2'tha
I just want to do her Pass it to the inc.
And let my bro screw her
Im killin and Ill be that way
I got a large appetite for some pussy and weed

I said my money is green
And my thun thun is blue
And If I pop that bitch
She gon pop one too Okay she poppin' too
Now she's getting like me
I said we're jerkin
And we stumpin
But can't catch the beat
We can't catch the beat
But I'm feelin' my dance

And it fell on my hand, Dang..
