Title

Meghan Trainor

If you want my love,
You gotta do what he does,
If you want these sweet like sugar Gucci lips,
You gotta give it up,
I know you think I'm cool,
But I ain't one of the boys,
No don't be scared that I'm gonna tie you down,
I need a little more,Baby don't call me your friend,
If I hear that word again,
You might never get a chance to see me naked in your bed,
And I know girls ain't hard to find,
If you think you wanna try,
Then consider this an invitation to kiss my ass goodbye,Give me that title, title
Come on give me that title, title
Better give me that title, title
Come on give me that title, titleIf it ain't no thang,
I won't be hanging around,
But don't blow up my shit at 3 AM saying; "How you need me now?"
Don't call me boo!
Like you're some kind of ghost,
If you don't want me seeing other guys,
Here's what you need to knowBaby don't call me your friend,
If I hear that word again,
You might never get a chance to see me naked in your bed,
And I know girls ain't hard to find,
If you think you wanna try,
Then consider this an invitation to kiss my ass goodbye,Give me that title, title
Come on give me that title, title
Better give me that title, title
Come on give me that title, titleyeah, Said I'm a special kind of woman,
I'm loving what you got, but I'm hating what you doing
Gotta understand that I'm looking for a man who can get up on a bike, look mom! no hands!
You gotta show me off boy!
But you on purpose, if that's the case I'm all gone,
You gotta treat me like a trophy, put me on the shelf,
I promise something else,Baby don't call me your friend,
If I hear that word again,
You might never get a chance to see me naked in your bed,
And I know girls ain't hard to find,

If you think you wanna try,
Then consider this an invitation to kiss my ass goodbye,Give me that title, title
Come on give me that title, title
Better give me that title, title
Come on give me that title, title
