

# Waterfalls

TLC

A lonely mother gazing out of the window  
Staring at her son that she just can't touch  
If at any time he's in a jam, she'll be by his side  
But he doesn't realize he hurts her so much But all the praying just ain't helping at all  
'Cause he can't seem to keep his self out of trouble  
So he goes out and he makes his money the best way he knows how  
Another body layin' cold in the gutter Listen to me  
Dont go chasing waterfalls, please stick to the rivers  
And the lakes that youre used to  
I know that youre gonna have it your way or nothing at all  
But I think you're moving too fast Little precious has a natural obsession for temptation  
But he just can't see  
She gives him loving that his body can't handle  
But all he can say is, "Baby is good to me" One day he goes and takes a glimpse in the mirror  
But he doesnt recognize his own face  
His health is fading and he doesnt know why  
3 letters took him to his final resting place Y'all, dont you hear me?  
Dont go chasing waterfalls, please stick to the rivers  
And the lakes that youre used to  
I know that youre gonna have it your way or nothing at all  
But I think you're moving too fast Dont go chasing waterfalls, please stick to the rivers  
And the lakes that youre used to  
I know that youre gonna have it your way or nothing at all  
But I think you're moving too fast  
Come on I'd seen a rainbow yesterday but too many storms have come and gone  
Leaving a trace of not one God giving ray  
Is it because my life is ten shades of gray?  
I pray, all ten fade away, seldom praise him for the sunny days And like his promise is true  
Only my faith can undo the many chances I blew to bring my life to anew  
Clear and blue and unconditional skies  
Have dried the tears from my eyes No more lonely cries, my only bleeding hope  
Is for the folk who can't cope with such an endurin pain  
That it keeps them in the pourin' rain  
Who's to blame for tootin' cane into your own vein What a shame, you shoot and aim for someone else's blame  
You claim the insane for this day  
And time for falling prey to crime  
I say the system's got you victim to your own mind Dreams are hopeless aspirations in hopes of coming true  
Believe in yourself  
The rest is up to me and you Dont go chasing waterfalls, please stick to the rivers

And the lakes that you're used to  
I know that you're gonna have it your way or nothing at all  
But I think you're moving too fast
