Forever more (Demo)

The 69 Eyes

Been a while ever since
The wildest of the winds
Been whispering
About youBeen a while ever since
The wildest of the winds
Started whispering
About you againFeel my heartbeat
like it's just begun
Feel my heartbeat
on this endless run
Feel my heartbeat
Forever more
Feel my heartbeatFeel my heartbeat
like it's just begun
Feel my heartbeat
on this endless run
Feel my heartbeat
Forever more
Feel my heartbeat
Once more...Been a while
Ever since I let it shine
Been wandering
Without you withinBeen a while ever since
I let you shine in
Been wandering
Without you withinChorus x 2
