Ready for the Fall

We Are the Ocean

Well I've been down this road before
So I hold my hands up
I'm ready, I'm ready for the fall
Well sometimes I wish it wasn't always the same
Yeah but it's always the same
It's always the same for me

Beautiful, she's had her way
Now I'm ready for the fall
Beautiful, she's had her way
Now I'm ready for the fall

If I could take her back
It won't be so (?)

So tell me where did it go wrong?
I've heard it all before
I've heard it all before
So tell me where did it go wrong?
I've heard it all before
I've heard it all before

Well I've been down this road before
So I hold my hands up
I'm ready, I'm ready for the fall
Sometimes I wish it wasn't always the same
Yeah but it's always the same
It's always the same for me

Beautiful, she's had her way
Now I'm ready for the fall
Beautiful, she's had her way
Now I'm ready for the fall

If I could take her back
It won't be (?)

So tell me where did it go wrong
I've heard it all before
I've heard it all before

So tell me where did it go wrong
I've heard it all before
I've heard it all before

Beautiful, she's had her way
Now I'm ready for the fall
Oh, beautiful, she's had her way
Now I'm ready for the fall
Oh, beautiful, she's had her way
Now I'm ready for the fall
Beautiful she's had her way
Now I'm ready for the fall
Beautiful she's had her way
Now I'm ready for the fall
Beautiful she's had her way
Now I'm ready for the fall
Beautiful she's had her way
Now I'm ready for the fall
