Reminded

Drowning Pool

Down too long like I was before
And I've never thought I'd see the day
Can't be wrong 'cause I know the score
And I guess there is no other way
Reminded of you, reminded of you
Reminded of you, reminded of you
Reminded
There it is all in black and white
And it looks like that's the way it goes
Doesn't matter whether it's wrong or right
Because now I'm sure that I know
Reminded of you, reminded of you
Reminded of you, reminded of you
Reminded
Never felt so undecided, undecided
Everything I've ever had has been taken away
Little boy so scared and frightened, scared and frightened
All of the things that have happened I'm surely to blame, blame

Accept your fate then you'll be well
But the truth is that it never ends
You can say that you've been through hell
But you'll always lose another friend
Reminded of you, reminded of you
Reminded of you, reminded of you
Reminded
Never felt so unimportant, unimportant
Everything I've ever said has been taken in vain
Little girl so scared and frightened, scared and frightened
All of the things that I do are still subject to change
Reminded of you, reminded of you
Reminded of you, reminded of you
Reminded of you, reminded of you
Reminded of you, reminded of you
Reminded
