Recap

Stormchild

How long
I said so long
Just go
A thousand hands will carry into foreign lands
And I will point
And smile
I know in your filling your memory back
I need you please
I need you so
Go with the flow
And I'll watch you go
So go on leave, just go on go
Just to let you know
That I love you so
How long
And so long
Holding hands
You let go you don't know how this set to me
You need to blow, so grow
And I, as my attentions are I need you please
I need you so
So with the flow
And I'll watch you go
So go on leave
Just go on go
Just to let you know
That I love you so
I need you please
I need you so
Go with the flow
And I'll watch you go
So go on leave
Just go on go
Just to let you know
I love you so
And I wave my mind good bye
Goodbye
