Stinkahbell

what I want to know is why you let
what makes you think they are so cool
what makes you think they are so cool
what makes you think they are so cool
what makes you think they are so cool
to like you for who you really are
so cool
you want so much for everyone
but you care about it so much
you won't be yourself
everything seems to go so well

not like you because you struggle
is it because for them
let me tell you I respect that
because it's easy when it's easy
for everything like hell
it's easy when it's easy
it's easy when it's easy
it's easy when it's easy
it's easy when it's easy
when it's easy
when it's easy
when it's easy
what makes you think they are so cool
what makes you think they are so cool
what makes you think they are so cool
coolwhat makes you think they are so cool
i'm so, so very cool
i'm so, so very...
