Hushabye

Max Q

This sunny Sunday is a good day to go
Guess you want me to stay, well, let me know
And I hate to say it's been a waste of time
I hate to interrupt the flowWhy? Why? Why? Hushabye
Hushabye, why aren't you ready to go?
Why? Why? Why? Hushabye
Couldn't we fast forward all through this show?You say you'd love to but you've lots left to do
Almost decided to stay 'cause of you
And I hate to tell you to exchange your dreams
For one more ticket, no returnWhy? Why? Why? Hushabye
Hushabye, why aren't you ready to go?
Why? Why? Why? Hushabye
Couldn't we fast forward all through this show?Why? Why?
What you hanging up for?
What you doing that for?
What you breakin' up for?
Why? HushabyeI hate to interrupt the flow
For one way ticket, no return
Soothing Sunday is a good day to goWhy? Why? Why? Hushabye
Hushabye, why aren't you ready to go?
Why? Why? Why? Hushabye
Couldn't we fast forward all through this show?Hushabye
Why? Why? Why?
What you breaking up for?
Why? Hushabye
