Let the sunshine
Let the sunshine in
The sunshine inLet the sunshine
Let the sunshine in
The sunshine inWe starve
Look at one another
Short of breath
Walking
Proudly in our winter coats
Wearing smells from laboratories
Facing a dying nationOf moving paper fantasy
Listening for the new told lies
With supreme visions
Of lonely tunesLet the sunshine

The sunshine inSomewhere inside
Something
There's a rush of greatness
Who knows what stands in front of our lives
I fashion
My future
On films in spaceSilence tells me
Silence tells me secretly
