To Love Somebody

Nina Simone

There's a light
A certain kind of light
Never shown on me
I want my whole life to be
To live it with you
Live it with youThere's a way
Everybody says
"Do each and every little thing"
What good does it bring
If I ain't got you
I ain't got youYou don't know
What it's like
Baby you don't
What it's like
To love somebody
To love somebody
The way I love youIn my brain
See your face again
I know my frame of mind
You ain't got to be so blind
And I'm so blind
So blindI'm a woman
Can't you see what I am?
I live and breathe for you
What good does it do
If I ain't got you?
I ain't got youSay, "You don't know
What it's like
Baby you don't know
What it's like
To love somebody
To love somebody
The way I love you"Oh you don't know
What it's like
Baby you don't know
What it's like
To love somebody
To love somebody
The way I love you
