## Suburban Lawns

I can't baggie your love, no no no.
I can't baggie your love, no no no.
I can't baggie your love, no no no ...

Put it a bag,
Put it a bag,
squeeze it to the side,
baby in a bag.
baby in a bag...

So I don't have any sacks that are strong enough,
and I don't have any liners that are long enough,
and I don't have any baggies that are big enough:
to bag your love, no no no ....

I can't baggie your love, no no no.
I can't baggie your love, no no no.
I can't baggie your love, no no no ...

Put it a bag,
Put it a bag,
squeeze it till you sag,
baby in a bag.
baby in a bag...

So I don't have any sacks that are strong enough,
and I don't have any liners that are long enough,
and I don't have any baggies that are big enough:
to bag your love, no no no.
