

I Guess I Was Just A Fool

Buddy Holly

I thought that I could forget
Even tried to tell myself we'd never met
Though you try, you can't deny
The beating of your heart Though you try, you can't deny
A true love when it starts
I guess that I was just a fool I guess I'll go on loving you
Even though I know our love will never do
Well, though you try, you can't deny
The beating of your heart Though you try, you can't deny
A true love when it starts
I guess that I was just a fool
