My mama said these streets ain't for everybody
So find your peace or grab your heat and watch for everybody
Lookin' in the mirror that's the realest in me
If ain't no million in it, I'mma feel offended
I get a real percentage, boy you real dependent
Pussy so good I felt in sleep still up in it
Check my heart there ain't no chill up in it
Check my squad it's only real ones in it
Check who see your green, cause they may steal your spinach
Cause these niggas is hurtin', these niggas is hurtin'
Tourin' all across the world I be workin'

Love to everybody with me that stayed the same
Nigga switched up and that's the cause of change
