Together Forever

Rekevin

If you say that you love me
Won't you stay with me for all time?
Because your smile, it is what keeps me going
Through all the hard times, yes, it does
And we'll be together forever again
We'll be together forever, just you and me
I'll be with you until the end of time, oh yes
If you say that you'll hold me
And care for me in such a special way
You bring me joy in everything I do
And I hope you'll never ever go away, please stay
And we'll be together forever again
We'll be together forever again
The way I feel, I'll be with you 'til the end of time
Until the end, until the end of time
We'll be together forever
(Girl you gotta believe in my love)
(That's all you gotta do)
We'll be together forever
(Just hold on baby, just hold on)
We'll be together forever
('Cuz all I need is you)
We'll be together forever
(And it's your love keeps me going through)
Together forever, together forever
And all, all you gotta do, darlin'
Is believe in my love
I'll be there until the end
