Now I'm Seeing

Michael Kiwanuka

Before I didn't know I can see it
Now I'm seeing
Before I didn't know I can be it
Now I'm being
Before I've been told you can see it
Oh and I know when I'm home I can feel it
So when the day gets along I remember
That I'm fine
Before I've been told you can't have it
Now I caught me
Before I've been told it's not right
Now I don't worry
Before I've been told you can't hear it
But I know when I'm home I can feel it
So when the day gets along I remember
That I'm fine
I'm no longer weary
Oh I'm no longer scared if I'm home
'Cause I've been thinking
You wouldn't leave me
Oh my love would be here by my side
I'm no longer weary
Oh I'm no longer scared if I'm home
'Cause I've been thinking
You wouldn't leave me
Oh my love would be here by my side
Forever it'd be by my side
Before I didn't know I could see it
Now I'm seeing
Before I didn't know I could be it
Now I want to be it
Before I've been told "don't believe it"
Oh but I know when I'm home I can feel it
So when the day gets along I remember
That I'm fine
When the day gets along I remember
That I'm fine
