Submerged

Alaskan

Quicksand, I'm sucked down in again
Blinded by the earth today
Deep beneath the undertow
But I'm two feet too short to reach it
I'm paralyzed, I'm paralyzed
I'm in so deep that I get sick inside
Submerged and I am out breath
Feel I fought a war today
And now I'm drowning in my my debt
There's no one left to blame
Since you would lay at night
And open my arms and say
I'm paralyzed, I'm paralyzed
I'm in so deep that I can't see the light home
It's over rated, the time we spent here
I'm suffocating but I can't catch my grace
Lies, I'm paralyzed and out of breath
Looking back at past regrets, where did I slip up?
