# Take Me Home

## Ratt

Just have a little patience
Is how the story goes
I'll tell you a little something
That's all you need to knowNow is the time for me
I've got to get away
I wish you could have stayed
I'll find another wayPlease take me home
Just where I ought to be
No questions knownYou can lead me out
I won't embrace
No one here will ever
Take my placeAnother little secret
I thought you need to know
You're always in my heart
You're always in my soulNow is the time for me
You gotto make a [Incomprehensible]
And how I need you so
Just thought I'd let you knowPlease take me home
Just where I ought to be
No questions knownYou can lead me out
I won't embrace
No one here
Will ever take my placeNow's the time
To hold you close
To live your dreams
I'll never let you goTake me home
Take me home, yeah
Take me home
Take mePlease take me home
Just where I ought to be
No questions known
Please take me homePlease take me home
Just where I ought to be
No questions knownYou can lead me out
I won't embrace
No one here
Will ever take my placeNow's the time
To hold you close
To live your dreams

I'll never let you go
