Airbag (Live In Berlin)

Radiohead

In the next world war
Jackknifed juggernaut, I am born again

In the neon sign, scrolling up and down
I am born again

An interstellar burst ...
I am back to save the universe

In a deep deep sleep, of the innocent
I am born again
In a fast German car, I'm amazed that I survived
An airbag saved my life

An interstellar burst ...
I am back to save the universe

An interstellar burst ...
I am back to save the universe
An interstellar burst ...
I am back to save the universe

[Various moaning]
