7 Days To the Wolves (Instrumental Version)

Nightwish

The wolves, my love, will come
Taking us home where dust once was a man
Is there a life before a death?
Do we long too much and never let in?Howl
7 days to the wolves
Where will we be when they come?
7 days to the poison
And a place in heaven
Time drawing near as they come to take usThis is my church of choice
Love's strength standeth in love's sacrifice
For the rest, I have to say to you
I will dream like the God
And suffer like all the dead children
Howl
7 days to the wolves
Where will we be when they come
7 days to the poison
And a place in heaven
Time drawing near as they come to take usThis is
Where heroes
And cowards
Part waysLight the fire, feast
Chase the ghost, give in
Take the road less traveled by
Leave the city of fools
Turn every poet loose
Howl
7 days to the wolves
Where will we be when they come
7 days to the poison
And a place in heaven
Time drawing near as they come to take usHowl
7 days to the wolves
Where will we be when they come
7 days to the poison
And a place in heaven
Time drawing near as they come to take usHeroes
Cowards
No more!Heroes

Cowards
No more!Heroes
Cowards
No more!
