Tell Me The Truth

For All Those Sleeping

You need to stop
Take a second
To figure out how you got here
All alone questioning why
But to me the answers clear

You never cared
You were never there
When someone needed you
Now the tables turned
Funny how life works
This was long overdue
Is that clear enough for you?

Tell me truth
Get up get up
Just walk out
'Cause you're a liar (Yeah)
And a thief (Yeah)
And that's just the start so
Let me remind you
That all you are
Is a liar (Yeah)
And a thief (Yeah)
You'll always be nothing to me

You'll never learn

I'll take you for granted
Like you took me
I'll take you for granted
Like you should be

Maybe I'm wrong
And there's hope for you deep down in you somewhere
But who am I kidding you'll always be the shallow person you always were

Tell me truth
Get up get up
Just walk out

'Cause you're a liar (Yeah)
And a thief (Yeah)
And that's just the start so
Let me remind you
That all you are
Is a liar (Yeah)
And a thief (Yeah)
You'll always be nothing

(Wake the fuck up)

You've
You've done it now
You've done it
Let me remind you of how this ends
With my hands around your neck
As you take your last breath
Is that clear enough for you?

Tell me truth
Get up get up
Just walk out
'Cause you're a liar (Yeah)
And a thief (Yeah)
And that's just the start so
Let me remind you
That all you are
Is a liar (Yeah)
And a thief (Yeah)
You'll always be nothing to me
To me
