I Gotta Try

Michael McDonald

Maybe it's true what they say about it
Maybe we can't make the ends meet
Maybe we'll all have to do without it
Maybe this world's just incompleteStill we all look for the truth in our lives
Searching from different sides
So hard living in a desperate world
But we all do the best that we canSome people see a change, some will remain the same
But all of them live their lives under the gun
Some see the road as clear, some say the end is here
They say it's a hopeless fight, well I say I gotta tryMaybe there's too much to think about it
Maybe there ain't nothin' left to say
But if our time's really runnin' out
Then this is no time to run away'Cause we're destined to look for the truth in this life
Blinded by tearful eyes
If it's no use tryin' in a desperate world
Then tell me why was I bornSome people see a change, some will remain the same
But all of them live their lives under the gun
Some see the road as clear, some say the end is here
They say it's a hopeless fight, but I say I gotta tryLonely living too lonely, is it too late?
To turn it all aroundSome people see a change, some will remain the same
But all of them live their lives under the gun
Some see the road as clear, some say the end is here
They say it's a hopeless fight, but I say I gotta trySomeone's tryin', someone's cryin' out
While we live under the gun
Someone's livin', someone's givin' up
