

# Better By You, Better Than Me

## Spooky Tooth

You can find a way to be my passion  
You listen to the blood flowin' in my vein  
You hear the teaching of the wind  
Tell her what I'm like within  
I can't find the words my mind is dim  
It's better by you better than me  
Guess you'll have to tell her how I tried  
To speak the thoughts of hell so long inside  
Tell her now I've got to go  
Fight in the streets and guide the sword  
Tell her the world's not much fallin' for  
It's better by you better than me  
It's better by you better than me  
You can tell her what I want it to be  
You can say what I only can see  
It's better by you better than me  
Guess I'll have to change my way of livin'  
Only really know the way I've been  
Guess I'll lean to fight and kill  
Tell her not to wait until  
Finds my blood upon her window sill  
It's better by you better than me
