Mile Away (feat. Master P)

Clyde Carson

In the middle of the fake shit real niggas punk out
You can see me from a mile away x2(Clyde Carson)
Yeah, we holler with that drop out
All my niggas got the same dress
Get money, live big
And she trashy, used to drop me off
Now it's foggie, cause I got a Benz
Racks by the park, bitch
All my niggas have the blow
No love for a park bitch
Hittin' dollas by the liquor store
Ain't no more born fibe on the weed(?)
Just fo' me, I need at least an o.z.
Goin' hard in the pay, O.G.
I'mma get it high lid, homie, nigga
In the middle of the fake shit real niggas punk out
You can see me from a mile away x2(Master P.)
Cartoon niggas, yeah, we call 'em Bruce Wayne
Bust it up, bend the hood, got two dames
Nigga run, who blame? Go bang bang
I'll go, everything call it trinidad
Two bad bitches wit me, yeah, I'm into that
Got caught, chopped up, where the ceiling at?
Got the rap game doped up, feelin' that
Big cock cussin' on this bitch, feelin' that
Hating niggas taking motherfucking high angles
From the bay rap ghost (???)
Nigga giant on these real niggas (alright)
Team madre cups from my real niggas (?)
And my 2k shades, call 'em B40
Bitches get up and the ghost gon' get naughty
We don't play checkers, nigga, we play chess
When it comes to the street shit, I'm the best
In the middle of the fake shit real niggas punk out
You can see me from a mile away x2(Clyde Carson)
Outta town, got the price up
Now I got a fat house
Ain't that (???), golf course
Neighbors love it when I'm in it now

Got a view from the third floor
Fireplace in the backyard
Hall of famous livin' next door
All my goons got a (???)
Cross country, put some hours in the Benz
Light the city, New York, by Mianis
Set the ball, we ain't neva follow trance
Set down, she put the world in my hands
I just wanna smash when the stacks up
So I can feel good when the red do
You can miss me wit the bullshit
Gettin' money what I'm intoIn the middle of the fake shit real niggas punk out
You can see me from a mile away x2
