Pyramid

Soul Bros Inc.

Shawty's love is like a pyramid
We stand together 'til the very end
There'll never be another love for sure
Iyaz and Charice let we go
Stones
Heavy like the love you've shown
Solid as the ground we've known
And I just wanna carry on
We took it from the bottom up
And even in a desert storm
Sturdy as a rock, we hold
Wishing every moment froze
Now I just wanna let you know
Earthquakes can't shake us
Cyclones can't break us
Hurricanes can't take away our love
Pyramid, we built this on a solid rock
It feels just like it's heaven's touch
Together at the top
(At the top, baby)
Like a pyramid
And even when the wind is blowing
We'll never fall, just keep on going
Forever we will stay
Like a pyramid
Like a pyramid, like a pyramid, hey
Like a pyramid, like a pyramid, hey
Like a pyramid, like a pyramid, hey
Cold, never ever when you're close
We will never let it fold
A story that was never told
Something like a mystery
And every step we took we've grown
Look how fast the time has flown
A journey to a place unknown
We're going down in history
Earthquakes can't shake us
Cyclones can't break us
Hurricanes can't take away our love

Pyramid, we built this on a solid rock
It feels just like it's heaven's touch

Together at the top
(At the top, baby)
Like a pyramid
And even when the wind is blowing
We'll never fall, just keep it going
Forever we will stay
Like a pyramid
Like a pyramid, girl, l'mma show you
That I love you so much, that we gonna get through
Even when it storms, I will never go
I'mma be the one to keep you safe, hey
Four walls and love, packin' more than enough
Holding on to one another, be the cover when it's rough
Mother nature or disaster
Won't stop our happy ever after
Pyramid, keep it going
(Like a pyramid, like a pyramid)
Whoa
(Like a pyramid, like a pyramid)
Pyramid, we built this on a solid rock
It feels just like it's heaven's touch
Together at the top
(At the top, baby)
Like a pyramid
And even when the wind is blowing
We'll never fall, just keep on going
Forever we will stay
Like a pyramid
We built this on a solid rock
It feels just like it's heaven's touch
Together at the top
(At the top, baby, at the top)
Like a pyramid
And even when the wind is blowing
We'll never fall, just keep it going
Forever we will stay
Like a pyramid
Like a pyramid, like a pyramid, hey
Like a pyramid, like a pyramid, yeah
Like a pyramid, like a pyramid, hey
