Playin' The Loser Again

Jimmy Buffett

[Jimmy:]
Don't break my heart again
Let it end
You don't love me.
Don't make me start again
This achin in my heart.

Don't make me hope again
Knowin when you've grown tired of me
That you'll just disappear
And leave me waiting here
Playing the loser again.

Don't give me hope
And take it away,
Cause I'll show my weakness
And beg you to stay.
Don't give me something to build all around
Then just for a thrill, you tear it all down.

[Bill:]
Don't make me dream again
It's a sin to make love to me
And then just disappear
And leave me waiting here
Playing the loser again.

[Jimmy:]
Don't give me hope
Then take it away
Cause I'll show my weakness
And beg you to stay
Dont' give me something to build all around
And just for a thrill, you tear it all down.

[Jimmy:]
Don't make me hope again
Knowing when
You've grown tired of me
That you'll just disappear

And leave me waiting here
Playing the loser again.
