Insatiable

CLP

Here we go Here we go
yeah
Here we go Here we go
yeah
Here we go Here we go
yeah
Here we go Here we goOh shit this chick is back and I'm freaking again
I need a man hung low and Indian
Hey, you, at the bar with the sexy grin
You may have bought me a drink but you're not my boyfriendI want a man to do me like a robot, get it hot, don't stop, break me off 'til I hit the rooftop
Next up is Jason, Natalie, damn!
Did me so good i had to share you with my friendsOr maybe I'm back but I'm switching it up
I need a lady with class that's ready to go
I need a girl like Janell with a big bazonka
I can ride it like a train or a flying tonkaWanna see Sheena get it? Give my panties a tug
Let me investigate, is this curtains matching the rug?
Got one or two thing to get off of my chest,
I'm not a home wrecker I just got big breastsSo don't call me white, call me light-skinneded
I can double dutch slow, run it back and bend it
Meet me back at the crib, I'm a sexy baby
Roomate doing yoga but that dont phase meBreak break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice cold
Break break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice coldIts like 11:30 and I'm ready to roll
Gonna sweat my weave out at the next toll
Gonna make a pit stop, you know how we do
Taco Bell, Post it up, we at the Drive-ThruI could kill a burrito and a combo meal
But I'm at grad school, I only got a $5 Bill
Get a Mexican Pizza cuz I need to keep it thick
Can't let Gwen P. win the race for the biggest...Tittey's, I'm known around the world for my, milk shake
3 AM, Steak & Shake, mash, bake
Can you please order me cheese sticks and cheesecake?My cell phone rings, you know its Chelsea and she's bringing a bib cuz she's a messy baby
All these dudes in my ear, its nice to meet ya
But your lucky if you even get a slice of pizzaGive her mouth to mouth like bust to bust
Batteries not included like Toys R Us
Flip me like a pancake, you can serve me up
Sweet like syrup, bet you can't get enoughSo don't call me white, call me light-skinneded

I can double dutch slow, run it back and bend it
Meet me back at the crib, I'm a sexy baby
Roomate doing yoga but that dont phase meBreak break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice cold
Break break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice coldBreak me off...blindfold
Break me off...ice cold
Break me off....blindfold
Break me off....ice cold
Break break me offSo let's take a little trip down Memory Lane
'tween he used to have a coon, now he rocks that fame
Just drive to his house, he leaves girl 14
And I laugh when he told her you got baby on the brainBest waiter at the school of Jasnimak
where the kids tote guns and you might get stabbed
Just cottage, and where I made that catch
Melissa B., over easy, like eggs with hamBeen my idol for 4 years now
Gotta listen for the music with your freestyle
So you know these writers got too much time on their hands,
your busy hating on me, I'm busy hitting on your manI'm quite a busy bee like a moth on a farm
Call me swiss cheese G but I can pop in that thong
Ready to party like its freshman year
Get drunk on my ass like Britney SpearsBreak break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice cold
Break break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice coldBreak break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice cold
Break break me off, Insatiable, Gotta gotta appetite, blindfold
Break break me off, Insatiable, Gimme gimme handcuffs, Ice coldSee me shine (She fine)
Shake it down (shake it down)
Get yours, cus imma get mine (get mine)
I Can't (She can't)
