Life Down The Toilet

Dethcentrik

Die!
You fucked yourself over, your life is through!
You flushed your life away, don't take mine too!
Piece of shit,
You fucked up bad, you know it's true!
You can't take back any of this, you'll regret the lives you've forever messed!
You'll never have children or a wife, you have practically ended your life!
Spewing all that crap out your mouth,
Eating the crap others spit outYour soul is corrupt,
Your life Sucked up!
You will never again see,
The life you flushed away willingly!Life Down the Toilet!
Life Down the Toilet!You'd kill to have it all back,
Your foes will kill you,
Should have thought of that!
There's no turning back,
The done is through!
You might as well be cut in two!Congratulations,
You've put your life down the toilet,
Life down the toilet...Life down the toilet.
