Unintended

Birgit

You could be my unintended
Choice to live my life extended
You could be the one, I'll always loveYou could be the one who listens
To my deepest inquisitions
You could be the one, I'll always loveI'll be there as soon as I can
But I'm busy mending broken
Pieces of the life, I had beforeFirst there was the one who challenged
All my dreams and all my balance
She could never be as good as youYou could be my unintended
Choice to live my life extended
You should be the one, I'll always loveI'll be there as soon as I can
But I'm busy mending broken
Pieces of the life, I had beforeI'll be there as soon as I can
But I'm busy mending broken
Pieces of the life, I had before
Before you
