# Redneck Punk

## Jackyl

I jumped straight off that trail today
Ain't nobody better get in my way no
Trail dust, sore butt, gotta get out of this 10 day rutWhoa, gitty up and go
I'm a redneck punk
Mean, red, better off dead
I'm a redneck punk, yeahStaring down the barrel of an old shotgun
Don't you step on my toes
And you want find yourself with a bloody noseWhoa, gitty up and go
I'm a redneck punk
Mean, red, better off dead
I'm a redneck punkHey you, long haired mother fuck
Show me how you doI live like a gypsy, I live like a dog
I gotta hard enough time just doing without
Nobody ever better run their fucking mouthWhoa, gitty up and go
I'm a redneck punk
Mean, red, better off dead
I'm a redneck punkRedneck punk
I'm a redneck punk
Redneck punk
Hey you're redneck punk
Redneck punk
We're fucking punks
Redneck punk
