Dumb!

Redrama

(Lyrics : L. Mellberg)

Intro
When the sky's wide openâ€¦.
I'd rather be heart-broken
I need that stupid kinda love right now

Verse1
They said damn if you do,
I said damn if I don't
bringing it , singing like it's the last of my songs
Why you never took a chance before?
So let's get dumb get irrational
I stay passionate
what if we only got one life, one night
that's the last of it?
girl feel that spark
I been looking for my heart,
have you seen the other half of it?
Oh, there it is
your eyes, thighs, your hair, your lips
walking behind you up the stairs, I wish
it a never stop, cus the view got me hoping it's a pyramid
Seeing only you, only you inna crowd
so keep moving it, moving it round
it's what I do, every night I'm new in your town
just got stupider nowâ€¦

Chorus
When the sky's wide open
Then why we keep our feet on the ground
I rather be heart-broken
I need that stupid kinda love right now
That kinda love goâ€¦.
Post-Chorus
Duh, Duh, Duh, Duh Duh Duh Dumb!
Make the club go
Duh, Duh, Duh, Duh Duh Duh Dumb!
If you my girl go

Duh, Duh, Duh, Duh Duh Duh Dumb!
Let's make the world go
Duh, Duh, Duh, Duh Duh Duh Dumb!
Stupid kind of love right now

Verse2
So you used your heart when you really should have used your brain
they think you dumb
And that goes for the rooftop-V.I.P and it goes for
the burbs and the slum
Love's universal, and it feels good and it hurts too
at the same damned time
but can't be worrying, about every little thing
that could go wrong, make you mine
So let go
trough the calm and the storm, and whatever the odds
said Imma bet though
Don't don't a damn, no spend my last
money on your smile girl
they say the world gone end but I feel it spin
we alive girl

Chorus
When the sky's wide open
Then why we keep our feet on the ground
I'd rather be heart-broken
I need that stupid kinda love right now
That kinda love goâ€¦.
Post-Chorus
Duh, Duh, Duh, Duh Duh Duh Dumb!
Make the club go
Duh, Duh, Duh, Duh Duh Duh Dumb!
I you my girl go
Duh, Duh, Duh, Duh Duh Duh Dumb!
Let's make the world go
Duh, Duh, Duh, Duh Duh Duh Dumb!

Bridge
You know that we're going all out tonight
it can't be wrong cus it feels so right
Ain't no telling what's going down tonight
D to the U, M, B who me?
Ain't no telling where we end up tonight
End up married, end up in a fight
No telling what's going down tonight

D to the U, M, B, who me?
Ain't no tellingâ€¦.

Chorus
When the sky's wide open
Then why we keep our feet on the ground
I'd rather be heart-broken
I need that stupid kinda love right now
That kinda love goâ€¦.

Post-Chorus
Duh, Duh, Duh, Duh Duh Duh Dumb!
Make the club go
Duh, Duh, Duh, Duh Duh Duh Dumb!
If you my girl go
Duh, Duh, Duh, Duh Duh Duh Dumb!
Let's make the world go
Duh, Duh, Duh, Duh Duh Duh Dumb!
Stupid kinda love right now
