

# Halo

## Porcupine Tree

God is in my fingers  
God is in my head  
God is in the trigger  
God is in the lead God is freedom, God is truth  
God is power and God is proof  
God is fashion, God is fame  
God gives meaning, God gives pain You can be right like me  
With God in the hole you're a righteous soul  
I got a halo 'round me, I got a halo 'round me I'm not the same as you  
'Cause I've seen the light and I'm gaining in height now  
I got a halo 'round me, I got a halo 'round me  
I got a halo 'round my head God is on the cellphone  
God is on the net  
God is in the warning  
God is in the threat God is freedom, God is truth  
For God is power, God is proof  
God is fashion, God is fame  
God gives meaning, God gives pain You can be right like me  
With God in the hole you're a righteous soul  
I got a halo 'round me, I got a halo 'round me I'm not the same as you  
'Cause I've seen the light and I'm gaining in height now  
I got a halo 'round me, I got a halo 'round me  
( 'Cause I've got a halo 'round my head)  
I got a halo 'round my head You can be like me  
With God in the hole you're a righteous soul  
I got a halo 'round me, I got a halo 'round me I'm not the same as you  
'Cause I've seen the light and I'm gaining in height now  
I got a halo 'round me, I got a halo 'round me  
I got a halo 'round my head 'Cause I've got a halo 'round my head
